

Job Opportunities at C & E Chemicals

We're looking forward for skilled leather technologists brimming with talent and passion for the leather industry. With our commitment to innovation, quality, and dedication, we invite you to propel your career forward in a vibrant and supportive setting.

We're Hiring :

1. **Finishing Technician (Vaniyambadi)** : We seek candidates experienced in sheep leather finishing, with a knack for chemical sales.
2. **Wet End Technician (Ranipet)** : Open for individuals with deep experience in wet end processes and a background in chemical sales.
3. **Finishing Technician (Ranipet)** : Inviting candidates with expertise in leather finishing and chemical sales experience.
4. **Lab Technician (Pallavaram)** : Looking for professionals experienced in both finishing and wet processes. A special call for those with experience in sample development and a flair for chemical sales.

Why Join C & E Chemicals?

Be part of a team that values innovation, quality, and dedication. Advance your career in a dynamic environment where your contributions make a difference in the leather industry.
